responses**

**Release: 1**

# Assessment Requirements for SISXEMR002 Coordinate emergency responses

## Modification History

Not applicable.

## Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and:

- identify and assess at least five of the following emergency situations and coordinate the appropriate response:
  - fire
  - hazardous release
  - bomb threat
  - medical
  - accidents
  - panic and other emotional responses
  - equipment failure
  - lost party member
  - changing environmental conditions
  - activity specific
- two of the above situations must include an assessment that identifies possible escalation and an appropriate response actioned for each.
- confirm and supervise the selection and safe use of emergency equipment for each situation.

## Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- legislation to enable application of legal requirements according to own work role and level of responsibility:
  - duty of care
  - work health and safety/occupational health and safety
  - environment protection
  - hazardous substances
  - public health and safety
- organisational emergency policies and procedures related to coordinating emergency responses:

- communication lines
- debrief procedures
- duty of care
- emergency procedures
- environment protection
- exit and assembly points
- hazardous substances and dangerous goods
- industry codes of practice
- reporting incidents
- work health and safety/occupational health and safety
- appropriate responses to emergency situations, as specified in the Performance Evidence
- location and safe use of rescue and emergency equipment and resources:
  - hoses
  - ladders
  - rescue equipment
  - monitors
  - foam equipment and extinguishers
  - blankets
  - spill kits
  - personal protective clothing and equipment
  - salvage gear
  - first aid and evacuation equipment
- the potential for emergency escalation:
  - spread of fire
  - threat to adjoining areas
  - dangers of explosion
  - loss of communications
  - involvement of additional persons
  - deterioration in environmental conditions
- rescue techniques
- emergency response agencies within the activity area and direct communication channels to enable information about an emergency to be communicated quickly and directly
- factors that impact on emergency situations to enable appropriate contingency planning
- behaviour and characteristics of typical emergencies to enable the development of an action plan to quickly and effectively bring the situation under control.

## Assessment Conditions

Skills must be demonstrated in:

- a sport, fitness or recreation environment where the individual is exposed to simulated emergencies requiring response. This can be a workplace or simulated environment.

Assessment must ensure access to:

- current industry procedures for reporting and managing emergency situations
- legislation relevant to emergencies:
  - work health and safety/occupational health and safety
  - duty of care
  - environment protection
  - hazardous substances and dangerous goods
  - public health and safety
  - industry codes of practice
- equipment and resources to ensure adequate response to emergencies relevant to work role and workplace
- a variety of clients and/or participants requiring an emergency response, clients and participants can be:
  - clients and participants in a sport, fitness or recreation industry workplace who are assisted by the individual during the assessment process or
  - individuals who participate in role plays or simulated activities, set up for the purpose of assessment, in a simulated industry environment operated within a training organisation.

Assessment activities that allow the individual to:

- coordinate participant movement during emergency situations
- respond to a range of emergencies in a sport, fitness or recreation environment, within the required, but realistic, timeframe.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors.
