**Assessment Requirements for SISXIND001
Work effectively in sport, fitness and
recreation environments**

Release: 1

Assessment Requirements for SISXIND001 Work effectively in sport, fitness and recreation environments

Modification History

Not applicable.

Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and:

- integrate industry knowledge and provide service to clients for a minimum of ten service periods that individually or in combination involve:
 - interacting with and positively responding to diverse demands and requests of multiple clients
 - working with speed and efficiency to deal with numerous service and operational tasks simultaneously
 - identifying issues and problems, determining solutions and taking appropriate action to resolve
 - working cooperatively as part of a team, monitoring the service process and workflow, and taking responsibility for own work outcomes
 - providing technical advice and support to other team members.

Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- organisational policies and procedures for:
 - administrative reporting
 - administration and reporting relating to:
 - completing financial transactions
 - completing work plans and schedules
 - handover
 - hygiene, health, safety and security:
 - completing incident, work health and safety and maintenance reports
 - customer service
- complaint handling
- information sources for the sport, fitness and recreation industry and how to access that information
- roles and responsibilities of service team members

- sectors of the sport, fitness and recreation industry and their interrelationships, roles and functions
- full details of organisation products, services, facilities, current promotions, events and entertainment.

Assessment Conditions

Skills must be demonstrated in:

- a sport, fitness or recreation environment. This can be a workplace or simulated environment.

Assessment must ensure access to:

- products and services to be delivered to clients
- industry-realistic ratios of staff to clients; these can be:
 - staff and clients in an industry workplace, or
 - individuals who participate in role plays or simulated activities, set up for the purpose of assessment, in a simulated industry environment operated within a training organisation.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors.
