## SISXIND006 Conduct sport, fitness or recreation events

### Modification History

Not applicable.

### Application

This unit describes the performance outcomes, skills and knowledge required to organise and conduct a sport, fitness or recreation event. It requires the ability to plan, setup and conduct an event, supervise the event team, and monitor and evaluate the event outcomes. Event team members may be paid employees or volunteers. It applies to event organisation and coordination requirements at a single site or venue.

Event coordinators must consistently and responsibly conduct events according to relevant legislation and organisational policy and procedures, and within the framework of the event managing organisation or sport controlling body.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.
