SIS40113 Certificate IV in Community Recreation

Release: 1

SIS40113 Certificate IV in Community Recreation

Modification History

The version details of this endorsed qualification are the table below. The latest information is at the top.

Release	Comments
1	Replaces and is equivalent to SIS40110 Certificate IV in Community Recreation. Intent of the qualification remains unchanged. HLTFA301C Apply first aid replaced with HLTAID003 Provide first aid in the core. SISCAQU307A Perform advanced water rescues replaced by SISCAQU318 Perform advanced water rescues in Aquatics Elective group.

Description

This qualification provides the skills and knowledge for an individual to be competent in a range of activities and functions within the community recreation sector including working independently at a broad range of venues or environments such as leisure centres and pools, with a variety of different client groups. Individuals with this level of competency have the ability to plan, conduct and evaluate activities of others and to deal with unpredictable and non-routine situations and provide leadership and guidance to staff.

Job roles

The following are indicative job roles for this qualification:

- duty manager
- program coordinator
- recreation coordinator
- swim school coordinator.

Pathways Information

This qualification is suitable for an Australian Apprenticeship pathway.

Licensing/Regulatory Information

No licensing, legislative, regulatory or certification requirements apply to this qualification at the time of endorsement.

Entry Requirements

There are no entry requirements for this qualification.

Employability Skills Summary

EMPLOYABILITY SKILLS QUALIFICATION SUMMARY

The following table contains a summary of the employability skills required by the sport and recreation industry for this qualification. The employability skills facets described here are broad industry requirements that may vary depending on packaging options.

Employability Skill	Industry/enterprise requirements for this qualification include:
Communication	Communicating with stakeholders to determine their specific requirements; analysing written information on community recreation participation patterns; preparing accurate records or reports on activities undertaken; completing staff rosters; clarifying instructions to staff; negotiating acceptable solutions to client or staff requests and complaints.
Initiative and enterprise	Identifying and discussing a range of activity or program enhancements to improve client satisfaction and organisation or facility profitability; engaging colleagues in sharing work-place knowledge; actively engaging with community leaders to build relationships; reflecting on own work practices for improvement; monitoring activities and programs for emerging risks.
Learning	Identifying and accessing sources of research on community recreation; contributing to a learning environment through openly sharing knowledge and experiences; accessing internal and external professional development opportunities; updating knowledge and skills to accommodate changes in community recreation programming.
Planning and organising	Collecting, analysing and recording information to provide efficient planning for community recreation programs and activities; setting work priorities and scheduling staff daily work activities to meet deadlines; preparing program plans and coordinating recreation activities; implementing and monitoring occupational health and safety policies.
Problem-solving	Identifying and mitigating hazards and risks related to sport and recreation activities and facilities; clarifying the extent of, and resolving problems through negotiating with clients in a sensitive and culturally appropriate manner; dealing with unpredictable and non-routine situations; planning, strategy and resource allocation to design activities to meet client needs; research into community needs.
Self-management	Understanding the organisation, own role and operating within limits of authority; critically reviewing own strengths and weaknesses; actively seeking and reflecting on feedback on own performance; building industry and community networks to regularly update knowledge and skills.

EMPLOYABILITY SKILLS QUALIFICATION SUMMARY

Teamwork	Providing leadership to a team of workers; monitoring worker progress and providing assistance where necessary; recognising and adapting appropriately to cultural and language differences in the workplace and community; promoting compliance with legal obligations; acknowledging accountability to senior management and working collaboratively with other community recreation personnel and stakeholders.
Technology	Understanding and utilising the operating capability of computer systems and software for community recreation programming; using information technology to assist in communication and support management and planning functions.

Packaging Rules

19 units must be completed:

- 11 core units
- 8 elective units, which may be selected from the electives listed in this qualification or from SIS10 which are packaged at AQF level 3, 4 or 5; up to 3 of these units may be selected elsewhere in SIS10 or from any current accredited course or other Training Package, and must be first packaged at AQF level 4.

In all cases selection of electives must relate to the core function or role of the candidate's current or intended work environment, local industry requirements and the characteristics of this qualification (as per the AQF descriptors).

Core	
BSBWOR404B	Develop work priorities
HLTAID003	Provide first aid
ICAICT203A	Operate application software packages
SIRXMGT001A	Coordinate work teams
SISCCRD304A	Work with key stakeholders
SISXCCS404A	Address client needs
SISXEMR402A	Coordinate emergency responses
SISXIND404A	Promote compliance with laws and legal principles
SISXOHS402A	Implement and monitor occupational health and safety policies
SISXRES402A	Support implementation of environmental management practices
SISXRSK301A	Undertake risk analysis of activities
Electives	
Aquatics	
SISCAQU201A	Monitor pool water quality
SISCAQU202A	Perform basic water rescues
SISCAQU303A	Operate aquatic facility plant and equipment
SISCAQU304A	Maintain pool water quality
SISCAQU305A	Implement aquatic facility plant and equipment maintenance program

SISCAQU308A	Instruct water familiarisation, buoyancy and mobility skills
SISCAQU309A	Instruct clients in water safety and survival skills
SISCAQU310A	Instruct swimming strokes
SISCAQU311A	Foster the development of infants and toddlers in an aquatic environment
SISCAQU312A	Assist participants with a disability during aquatic activities
SISCAQU318	Perform advanced water rescues
SISCAQU414A	Develop pool water maintenance procedures
SISCAQU415A	Develop aquatic facility maintenance procedures
SISCAQU416A	Coordinate lifeguard service at an aquatic facility
SISCAQU417A	Operate self-contained breathing apparatus in an aquatic facility
Community Recreation Development	
SISCCRD301A	Facilitate community development through recreational activities
SISCCRD302A	Recruit and manage volunteers
SISCCRD303A	Facilitate inclusion for people with a disability
Community Recreation Operations	
SISCCRO302A	Apply legal and ethical instructional skills
SISCCRO304A	Plan and conduct disability recreation programs
Cross-Sector
