SISSCKT201A Perform the intermediate skills of cricket

Release: 2

SISSCKT201A Perform the intermediate skills of cricket

Modification History

Not Applicable

Unit Descriptor

This unit describes the performance outcomes, skills and knowledge required to perform the intermediate skills of cricket. This unit focuses on the development and performance of intermediate cricket skills during drills, activities, games and competitions.

Application of the Unit

This unit applies to current, junior or aspiring athletes who are competing in cricket at a district or club level. It may also apply to those in sports development programs.

Licensing/Regulatory Information

No licensing, regulatory or certification requirements apply to this unit at the time of endorsement.

Pre-Requisites

Nil

Employability Skills Information

This unit contains employability skills.

Elements and Performance Criteria Pre-Content

Elements and Performance Criteria

ELEMENT	PERFORMANCE CRITERIA
This unit contains employability skills.	Performance criteria describe the performance needed to demonstrate achievement of the element. Where bold italicised text is used, further information is detailed in the required skills and knowledge section and the range statement. Assessment of performance is to be consistent with the evidence guide.
1. Prepare for cricket drills, activities, games and competitions.	<p>1.1. Access and interpret cricket <i>rules, regulations and policies</i>.</p> <p>1.2. Determine <i>basic biomechanical principles</i> as they apply to cricket.</p> <p>1.3. Identify <i>intermediate skills of cricket</i> and determine observable body movements for each stage of these skills in priority of importance when performing the skills.</p> <p>1.4. Identify the intermediate skills of cricket players applicable to each position and player, and their purpose.</p>
2. Participate in cricket drills, activities, games and competitions.	<p>2.1. Undertake <i>drills, activities, games and competitions</i> in a safe manner, according to <i>relevant legislation and organisational policies and procedures</i>.</p> <p>2.2. Perform the intermediate skills of cricket to form a sequence of movements in competition conditions.</p> <p>2.3. Maintain <i>effective communication</i> with team members and coach during drills, activities, games and competitions.</p>
3. Review intermediate skills performance.	<p>3.1. Review performance and identify strengths and areas requiring improvement.</p> <p>3.2. Identify <i>conditions and external influences</i> affecting conduct of activities and identify contingency strategies to improve future sessions.</p>

Required Skills and Knowledge

This section describes the skills and knowledge required for this unit.

Required skills

- communication skills on and off the cricket field to:
 - determine other player's intentions and movements
 - communicate with coaches and clarify positions, rules and play setups
 - seek feedback and instructions from team members, coaches, support staff and umpires
- teamwork skills to:
 - encourage and support other team members
 - respect other player's decisions
 - participate effectively in training activities
- language and literacy skills to access, interpret and apply information about the rules, regulations and policies of cricket games and competitions
- problem-solving skills to:
 - respond appropriately to changing conditions during intermediate training and game situations
 - apply strategies to resolve disputes related to the conduct or outcome of a game
- self-management skills to:
 - review and reflect on own performance
 - organise time and priorities effectively
 - set short, medium and long term goals.

Required knowledge

- legislation and organisational policies and procedures to enable safe participation in all activities
- rules, regulations and policies of the Australian Cricket Board, including laws of the game and best practice codes to participate appropriately
- cricket positions and players, roles and responsibilities on the field and the biomechanics related to skill acquisition
- basic biomechanical principles to enable safe and effective performance of the intermediate skills of cricket
- relevant equipment and technological aids used in cricket drills, activities, games and competitions to enhance intermediate skills
- self-reflection principles to enable effective self-evaluation for future improvement
- communication systems used between players, coaches, support staff and umpires during cricket drills, activities, games and competitions.

Evidence Guide

The evidence guide provides advice on assessment and must be read in conjunction with the performance criteria, required skills and knowledge, range statement and the Assessment Guidelines for the Training Package.

Overview of assessment

Critical aspects for assessment and evidence required to demonstrate competency in this unit

Evidence of the following is essential:

- utilises knowledge and interpretation of skills and relevant rules, regulations and policies to perform the intermediate skills of cricket applicable to own fielding positions and batting order
- identifies observable body movements for each stage of intermediate skills and links together and practices these during drills, activities, games and competitions
- communicates appropriately with team members, coach, umpires and support staff throughout drills, activities, games and competitions, and responds to feedback
- reviews own and team's cricket performance to identify strengths and areas requiring improvement and or modifications.

Context of and specific resources for assessment

Assessment must ensure performance of the intermediate skills of cricket applicable to own fielding positions and batting order on sufficient occasions to demonstrate competency and consistency of performance.

Assessment must also ensure access to:

- cricket training and competition facilities, with marked out field and suitable pitch
- groups or teams of players to play cricket at an intermediate level
- a coach to instruct and address players
- suitably qualified umpires
- cricket equipment
- resources and information detailing the intermediate skills of cricket
- rules, regulations and policies such as the Australian Cricket Board Laws of the Game and notes on the laws.

Method of assessment

A range of assessment methods should be used to assess practical skills and knowledge. The following examples are appropriate for this unit:

- observation of performance of intermediate skills

during drills, activities, games and competitions

- oral or written questioning to assess knowledge of the rules, regulations and policies of cricket
- third-party reports from coaches or umpires detailing performance.

Holistic assessment with other units relevant to the industry sector, workplace and job role is recommended, for example:

- SISSCKT202A Perform the intermediate tactics and strategies of cricket.

Range Statement

The range statement relates to the unit of competency as a whole. It allows for different work environments and situations that may affect performance. Bold italicised wording, if used in the performance criteria, is detailed below. Essential operating conditions that may be present with training and assessment (depending on the work situation, needs of the candidate, accessibility of the item, and local industry and regional contexts) may also be included.

Rules, regulations and policies may include:

- local, national and international rules of cricket
- the Australian Cricket Board Laws of the Game and notes on the laws
- Australian Cricket Board Code of Conduct
- Australian Sports Commission Harassment-free Sport policy.

Basic biomechanical principles may include:

- balance
- motion
- force
- momentum
- power.

Intermediate skills of cricket may include:

- front and back foot batting shots
- bowling
- fielding
- running
- dismissals
- wicket keeping.

Drills, activities may include:

- warm-ups and cool-downs
- batting, bowling and fielding drills
- catching, throwing and running drills
- concentration drills
- grid work.

Games and competitions may include:

- modified games
- practice matches
- inter-club or team games
- competition games.

Relevant legislation may include:

- occupational health and safety (OHS)
- authority or permission from land owners, local council or cricket clubs.

Organisational policies and procedures may include:

- OHS
- conflict resolution
- communication protocols
- use, care and maintenance of equipment, pitch

Effective communication may include:

- and field
- training and scheduling commitments
- code of ethics.
- calls
- hand signals
- eye signals
- signs.
- environmental and weather conditions
- support staff
- spectators
- parents
- umpires and administrators
- other coaches.

Conditions and external influences may include:
