### **Employability Skills Information**

This unit contains employability skills.

## Elements and Performance Criteria Pre-Content

### Elements and Performance Criteria

#### ELEMENT

#### PERFORMANCE CRITERIA

Elements describe the essential outcomes of a unit of competency.

Performance criteria describe the performance needed to demonstrate achievement of the element. Where bold italicised text is used, further information is detailed in the required skills and knowledge section and the range statement. Assessment of performance is to be consistent with the evidence guide.

1. Plan advanced volleyball session or sessions.

- 1.1. Establish *participant's needs and characteristics*.
- 1.2. Determine participant's *readiness* and current knowledge of *volleyball* in order to determine *session aims and objectives*.

- emergency response and safety procedures appropriate for advanced volleyball, to ensure risk minimisation to self and group.

## Evidence Guide

The evidence guide provides advice on assessment and must be read in conjunction with the performance criteria, required skills and knowledge, range statement and the Assessment Guidelines for the Training Package.

### Overview of assessment

#### Critical aspects for assessment and evidence required to demonstrate competency in this unit

Evidence of the following is essential:

- plans and delivers information, explanations and demonstrations for volleyball sessions to ensure activities are conducted safely according to participant's needs and characteristics
- observes and monitors the progress of participants and provides constructive feedback and intervention to improve and develop the skills of indoor and beach volleyball to an advanced level
- uses and modifies teaching and coaching techniques and drills, activities and games to cater for a range of individual learning styles
- evaluates and reflects on own coaching performance to identify strengths, weaknesses and areas that need improvement.

#### Context of and specific resources for assessment

Assessment must ensure conduct of safe drills, activities and games that reflect the needs and characteristics of a range of participants and are of sufficient duration and breadth to demonstrate competency and consistency of performance.

Assessment must also ensure access to:

- resources and information regarding participants and location to accurately plan, coach and document advanced volleyball sessions for a variety of participants
- suitable indoor or beach locations and facilities
- a group of participants to take part in the advanced volleyball sessions and games
- equipment such as nets, volleyball, witches hats, spiking frame, teaching aids and uniforms.

#### Method of assessment

A range of assessment methods should be used to assess practical skills and knowledge. The following examples

are appropriate for this unit:

- oral or written questioning to assess knowledge of relevant legislation, organisational policies and procedures, and rules and regulations of volleyball to enable safe conduct of all drills, activities and games during the sessions
- observation of safe coaching of volleyball skills to an advanced level and monitoring and adjusting instructional techniques according to participant's needs, characteristics and responses
- portfolio of session plans and self-evaluations
- third-party reports from a supervisor detailing performance.

Holistic assessment with other units relevant to the industry sector, workplace and job role is recommended, for example:

- SISSVOL404A Teach the advanced tactics and strategies of volleyball.
