Application

This unit describes the performance outcomes, skills and knowledge required to prepare rice and noodles for national and regional Asian cuisines. It requires the ability to select and prepare ingredients, and to use relevant equipment and cookery methods.

The unit applies to hospitality and catering organisations that offer Asian cuisine and to cooks who usually work under the guidance of more senior chefs. The unit may be applied to one or more Asian cuisines.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.
