SITHASC032 Produce Japanese desserts

Modification History

Not applicable.

Application

This unit describes the performance outcomes, skills and knowledge required to prepare desserts, including cakes and sweetmeats in Japanese cuisine. It requires the ability to select and prepare ingredients, and to use relevant equipment and cookery methods.

The unit applies to hospitality and catering organisations that offer Japanese cuisine, and to cooks who usually work under the guidance of more senior chefs.

The skills in this unit must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.
