Release: 1

SITHCCC013 Prepare seafood dishes

Modification History

Not applicable.

Application

This unit describes the performance outcomes, skills and knowledge required to prepare and cook a range of fish and shellfish dishes following standard recipes. It requires the ability to select, prepare and portion seafood, and to use relevant equipment, cookery and food storage methods.

The unit applies to cooks working in hospitality and catering organisations. This could include restaurants, educational institutions, health establishments, defence forces, cafeterias, kiosks, cafes, residential caterers, in flight and other transport caterers, and event and function caterers.

It applies to individuals who work under the guidance of more senior chefs. They demonstrate autonomy and judgement to complete routine activities and take limited responsibility in known and stable contexts within established parameters.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.
