Release: 1

SITHCCC041 Produce cakes, pastries and breads

Modification History

Not applicable.

Application

This unit describes the performance outcomes, skills and knowledge required to produce cakes, pastries and breads in a commercial kitchen following standard recipes. It requires the ability to select, prepare and portion ingredients; and to use relevant equipment a range of cookery methods to make and decorate cakes, pastries and breads, and food storage methods.

It does not cover the specialist skills used by patissiers to produce specialist patisserie products. These are covered in the range of patisserie units coded 'PAT'.

The unit applies to hospitality and catering organisations that produce and serve cakes, pastries and breads, including hotels, restaurants and patisseries.

It applies to individuals who work under the guidance of more senior chefs. They demonstrate autonomy and judgement to complete routine activities and take limited responsibility in known and stable contexts within established parameters.

The skills in this qualification must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.
