Assessment Requirements for SITHKOP006 Plan catering for events or functions

Release: 1

Assessment Requirements for SITHKOP006 Plan catering for events or functions

Modification History

Not applicable.

Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and:

- prepare catering proposals in response to diverse customer requirements for at least six different event or function types as specified in the knowledge evidence
- prepare practical operational plans for each of the above events and functions that specify arrangements for all basic requirements for catering delivery as specified in the knowledge evidence
- ensure above operational plans include consideration of the different operational factors that affect catering delivery as specified in the knowledge evidence
- implement above operational plans through the delivery of catering for three of the above events and functions
- complete proposals and plans and coordinate the delivery of catering for events and functions within commercial time constraints.

Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- major characteristics of the events and functions listed in the performance evidence:
 - purpose and format
 - roles and responsibilities of different family members, officials and venue personnel
 - event running order
 - entertainment and speeches
 - service order and timing for food and beverage items to complement event or function activities
 - service expectations
- different types of events or functions where catering is required:
 - balls
 - banquets
 - conferences
 - corporate events
 - defence operations

- exhibitions
- industry and other awards presentations
- meetings or seminars
- parties
- product launches
- religious celebrations
- social celebrations
- sporting events
- themed events
- trade shows
- training events
- wakes
- weddings
- catering and service styles for above different types of events with varying numbers
- operational factors influencing catering for different venues and climatic conditions
- space and equipment requirements for above different styles of catering and varying numbers
- basic requirements for delivery of catering for events or functions:
 - ancillary products and services
 - beverage
 - food:
 - classic
 - cultural food requirements
 - modern
 - special dietary needs
 - menu type:
 - à la carte
 - buffet
 - set menu
 - table d'hôte
 - link between food service and other aspects of the event
 - style of service
 - timing of service
- operational factors that affect catering delivery for an event or function:
 - conflicting activities in venue food preparation and storage areas
 - costing of components and total catering
 - food production timelines and staffing roles and responsibilities:
 - production kitchen
 - venue or service kitchen
 - purchasing of food, beverage, materials and equipment

- recycling and correct and environmentally sound disposal practices for kitchen waste and hazardous substances
- risk management issues
- security arrangements
- service staff roles and responsibilities
- service timelines for food and beverage
- management of on-site resources:
 - venue
 - commodities
 - equipment
 - machinery
- staffing and contracting
- storage of food and beverage
- transport requirements and timelines
- venue event management
- venue or service area resources:
 - cooking and re-thermalisation equipment
 - size and availability
 - storage facilities
- formats and content for:
 - catering proposals
 - operational plans used to manage the delivery of catering for an event or function
- potential risk management issues relating to delivery of catering products and services:
 - availability and reliability of equipment
 - beverage dispensing system safety
 - cooking and service times
 - customer preferences and inherent risks
 - food safety issues
 - impacts of bad weather conditions on catering delivery
 - potential non-delivery of supplies from unknown supplier
 - power sources and back-up options
 - problems with maintaining food quality and safety during storage, preparation and display at the event
 - product price fluctuations
 - requirement for public liability and other insurances
 - seasonal fluctuations in food prices
 - seasonal non-availability of food and beverage ingredients
 - size and availability of on-site food preparation and storage areas
 - venue access and impacts on food preparation to meet deadlines
- organisation-specific procedures relating to:

- food safety
- environmental management
- risk management.

Assessment Conditions

Skills must be demonstrated in a hospitality or catering business operation for which catering proposals and plans are prepared and implemented. This can be:

- an industry workplace
- a simulated industry environment.

Assessment must ensure access to:

- event and function venues where catering is provided
- sources of negotiated cost of supply:
 - tariffs
 - price lists
- organisational specifications:
 - food safety policies and procedures
 - environmental management procedures
 - purchase specifications
 - risk management procedures
 - supplier contracts
- computers, printers and software programs currently used by the hospitality and catering industry to prepare proposals and plans
- customers with whom the individual can interact; these can be:
 - customers in an industry workplace who interact with the individual during the assessment process
 - individuals who participate in role plays, simulated activities, or simulated events set up for the purpose of assessment in an operational context.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors; and:

- have worked in industry for at least three years where they have applied the skills and knowledge of this unit of competency.
