# SITHKOP011 Plan and implement service of buffets

## Modification History

Not applicable.

## Application

This unit describes the performance outcomes, skills and knowledge required to design, plan and oversee presentation of buffets. It requires the ability to consult on buffet requirements, design the total buffet concept, plan and document operational requirements and supervise food service through implementation of creative buffet displays.

It does not include the preparation of food items for buffets which is covered by the unit SITHCCC038 Produce and serve food for buffets.

The unit applies to workers in hospitality and catering organisations that serve buffet food including restaurants, hotels, clubs, and event and function venues. The buffet could be a one-off for a special event or function or a series of regular buffets offered by the organisation.

This unit applies to those people who operate independently or with limited guidance from others such as senior and supervising cooks and chefs, catering supervisors and managers.

The skills in this unit must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.
