## SITHPAT013 Produce pastries

### Modification History

Not applicable.

### Application

This unit describes the performance outcomes, skills and knowledge required to produce pastries and pastry products following standard recipes. It requires the ability to select, prepare and portion ingredients and to use equipment and a range of cookery methods to make, fill and decorate pastries.

The unit applies to hospitality and catering organisations that produce and serve specialised patisserie products, including hotels, restaurants and patisseries.

It applies to patissiers who usually work under the guidance of more senior pastry chefs.

The skills in this unit must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication
