Assessment Requirements for SITTGDE010 Prepare specialised interpretive content on cultural and heritage environments

Assessment Requirements for SITTGDE010 Prepare specialised interpretive content on cultural and heritage environments

Modification History

Not applicable.

Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and:

- prepare three different presentations, with each presentation:
    - using at least four credible and reliable sources of information
    - demonstrating knowledge of cultural and heritage environments as listed in the knowledge evidence
    - using appropriate ecological terminology and concepts
    - incorporating interpretive themes and messages
    - organising information in a logical and suitable manner for presentation.

Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- the role of interpretation in creating a powerful customer experience
- sources of information on cultural and heritage environments
- cultural and heritage environments, natural and built:
    - art galleries
    - cultural centres
    - heritage trails
    - historic localities or regions
    - historic theme parks
    - Indigenous art or occupation sites
    - museums
    - prehistoric and fossil sites
- nature and significance of each cultural or heritage environment:
    - how the environment developed and evolved
    - historically and culturally significant features, details of any exhibits, displays or performances
    - individuals associated with the environment, their roles and impacts
    - role of the environment in the local community, both past and present
- relationship of the environment to past and current Australian culture and history

- information sources frequently used by guides:
  - artworks
  - events
  - exhibitions
  - experiences and observations (of self or others)
  - films
  - images
  - internet
  - music
  - objects
  - local experts
  - traditional owners
  - performances
  - presentations
  - professional associations
  - printed texts, books, journals, magazines, newspapers
  - technical information.

Assessment Conditions

Skills must be demonstrated in an operational guiding environment. This can be:

- an industry workplace where specialised interpretive content is developed for guiding activities
- a simulated activity involving the development of specialised interpretive content for guiding activities.

Assessment must ensure access to:

- current sources of information as listed in the knowledge evidence
- current interpretive resources
- equipment used to source, record and store information:
  - computer and software
  - internet
  - data storage equipment.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors; and:

- have worked in industry for at least three years where they have applied the skills and knowledge of this unit of competency.
