SITTGDE018 Develop and maintain the general and regional knowledge required by guides

Modification History

Not applicable.

Application

This unit describes the performance outcomes, skills and knowledge required to research information on Australia and local regions for presentation to customers. It requires broad general knowledge of Australia plus some regional and location-specific knowledge. It highlights the need for ongoing research to update and expand knowledge.

This unit applies to all guides regardless of the context in which they work. Wherever guides are located or travel, they must maintain and expand their general knowledge base as a key professional development activity. In this context, they work independently or under limited guidance from others.

The skills in this unit must be applied in accordance with Commonwealth and State/Territory legislation, Australian/New Zealand standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.
