SITXEBS001 Use social media in a business
SITXEBS001 Use social media in a business

Modification History
Not applicable.

Application
This unit describes the performance outcomes, skills and knowledge required to establish a social media presence in a business. It requires an understanding of the use of social media tools and platforms to enhance customer engagement and market a business.

The unit is relevant to businesses operating in many industry contexts, including the tourism, travel, hospitality, events and other service industry sectors.

It applies to individuals using social media for business at an operational level under limited supervision.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.

Pre-requisite Unit
