SITXFIN012 Manage revenue

Release: 1

SITXFIN012 Manage revenue

Modification History

Not applicable.

Application

This unit describes the performance outcomes, skills and knowledge required to make, implement, and monitor pricing decisions to maximise yield and business profitability.

The unit applies to senior personnel who work autonomously and are responsible for making strategic business decisions.

It applies to supplier organisations in the tourism, travel and hospitality industries, in particular to the accommodation, tour operations and tour wholesaling sectors.

The skills in this unit must be applied in accordance with Commonwealth and State/Territory legislation, Australian/New Zealand standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.

Pre-requisite Unit

Competency Field

Finance

Unit Sector

Cross-Sector

Elements and Performance Criteria

ELEMENTS

Elements describe the essential outcomes

1. Analyse and forecast business activity.

PERFORMANCE CRITERIA

Performance criteria describe the performance needed to demonstrate achievement of the element.

- 1.1. Analyse existing performance data and budget targets.
- 1.2. Interrogate and compare sources of business activity from different distribution channels and market segments.
- 1.3. Evaluate external market factors, competitor activity and changing customer demand patterns.
- 1.4. Develop scenarios and forecasts around future business

- performance and revenues.
2. Make pricing decisions.
 - 2.1. Confirm net, fixed and variable delivery costs.
 - 2.2. Review and incorporate distributor commissions and mark-ups.
 - 2.3. Set standard and promotional rates for different times, trading periods and market segments based on analysis of forecasts, pricing options and optimum yield.
 - 2.4. Assess the need for special conditions and apply as required.
 - 2.5. Document pricing structures and associated terms and conditions, with consideration of consumer protection requirements.
 3. Implement pricing decisions.
 - 3.1. Communicate pricing initiatives to colleagues, internal and external partners, and distribution channels.
 - 3.2. Establish mechanisms and collateral to support pricing decisions in different market segments.
 4. Monitor pricing initiatives.
 - 4.1. Monitor revenue results achieved through pricing and distribution initiatives on a timely basis.
 - 4.2. Adjust initiatives based on results and broader business and market analysis.
 - 4.3. Record performance data for future analysis.

Foundation Skills

Foundation skills essential to performance in this unit, but not explicit in the performance criteria are listed here, along with a brief context statement.

SKILLS	DESCRIPTION
