SITXLAN003 Conduct oral communication in a language other than English

Modification History

Not applicable.

Application

This unit describes the performance outcomes, skills and knowledge required to conduct both predictable and non-routine, varied communications, transactions and interactions in a language other than English.

There is no direct parity with any formal language proficiency ratings or assessment framework, but this unit broadly relates to International Second Language Proficiency Ratings (ISLPR) 3.

The unit applies to all industry contexts and individuals working in at many different levels of responsibility. This could include frontline, supervisory or management personnel.

This unit may be customised for training delivery and assessment of proficiency in any language. This unit does not prepare individuals for the role of a translator or interpreter.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.
