Unit Descriptor
This unit describes the performance outcomes, skills and knowledge required to prepare and present a variety of sandwiches in a commercial kitchen or catering operation.

Application of the Unit
This unit applies to hospitality and catering organisations, and to people who make sandwiches, either pre-prepared or on demand according to customer requests. Sandwiches may be classical or modern, hot or cold, of varying cultural and ethnic origins and use a variety of fillings and types of bread. People undertaking this role usually work under supervision.

Licensing/Regulatory Information
No licensing, legislative, regulatory or certification requirements apply to this unit at the time of endorsement.

Pre-Requisites
This unit must be assessed after the following prerequisite unit:

**Employability Skills Information**

This unit contains employability skills.

**Elements and Performance Criteria Pre-Content**

**Elements and Performance Criteria**

Elements describe the essential outcomes of a unit of competency. Performance criteria describe the performance needed to demonstrate achievement of the element. Where bold italicised text is used, further information is detailed in the required skills and knowledge section and the range statement. Assessment of performance is to be consistent with the evidence guide.

1. Select ingredients.  
   1.1 Confirm *sandwich* requirements, based on standard recipes or customer requests.  
   1.2 Identify and select bread types and fillings taking account of quality, freshness and stock rotation requirements.

2. Make sandwiches.  
   2.1 Use sandwich-making *methods* based on requirements.  
   2.2 Cut ingredients and completed sandwiches to ensure uniformity of presentation.  
   2.3 Combine ingredients appropriately based on flavour combinations, customer preference or standard recipes.  
   2.4 Use toasting and heating equipment safely.  
   2.5 Make sandwiches in a logical and sequential manner.  
   2.6 Minimise waste and store re-usable by-products.

3. Present and store sandwiches.  
   3.1 Present sandwiches on appropriate serviceware.  
   3.2 Add suitable garnishes as required.  
   3.3 Visually evaluate dish and *adjust presentation*.  
   3.4 Store sandwiches in appropriate *environmental conditions*.

Evidence Guide

The evidence guide provides advice on assessment and must be read in conjunction with the performance criteria, required skills and knowledge, range statement and the Assessment Guidelines for the Training Package.

Overview of assessment

Critical aspects for assessment and evidence required to demonstrate competency in this unit

Evidence of the ability to:

- prepare a variety of sandwiches of different types using different breads and ingredients
- prepare a quantity of sandwiches within commercial time constraints
- present sandwiches attractively
- integrate knowledge of:
  - different sandwich and bread types
  - features, functions and safe use of food preparation equipment
  - food safety practices for handling and storing different food types.

Context of and specific resources for assessment

Assessment must ensure use of:

- an operational food preparation area for sandwich production with the fixtures, large and small equipment defined in the Assessment Guidelines; this can be a:
  - real industry workplace
  - simulated industry environment such as a training kitchen servicing customers
  - industry-realistic ratios of staff to customers
  - food preparation lists and standard recipes
  - a variety of commercial ingredients for preparing sandwiches.

Method of assessment

A range of assessment methods should be used to assess practical skills and knowledge. The following examples are appropriate for this unit:

- direct observation of the individual preparing for and producing sandwiches
- evaluation of the taste and visual appeal of sandwiches prepared by the individual
- use of visual and taste recognition exercises so the individual can identify ingredient and product characteristics
- written or oral questioning to assess knowledge of
culinary terms, quality indicators for sandwiches and appropriate environmental storage
- conditions
- review of portfolios of evidence and third-party workplace reports of on-the-job performance by the individual.

Guidance information for assessment

The assessor should design integrated assessment activities to holistically assess this unit with other units relevant to the industry sector, workplace and job role, for example:

- SITHCCC202 Produce appetisers and salads.
Range Statement

The range statement relates to the unit of competency as a whole. It allows for different work environments and situations that may affect performance.
