Application

This unit describes the skills and knowledge required to establish and develop a professional mentoring relationship with an individual in a workplace. It includes the skills and knowledge to plan and prepare for the mentoring, and implement strategies suited to the mentee, the workplace and the mentoring relationship.

The unit applies to workplace supervisors or other work colleagues who work under limited supervision and have responsibility for mentoring individuals in the workplace. This may include, but is not limited to, those who mentor an apprentice or trainee employed by, or undertaking a work placement within, an organisation.

No licensing, legislative or certification requirements apply to this unit at the time of publication.
