Release 1	This unit of competency first released with <i>TAE Training and Education Training Package Version 1.0</i> .

Application

This unit describes the skills and knowledge required to plan, develop, monitor, and assess adult language, literacy and numeracy skills at different levels and in vocational education and training (VET) contexts. It also includes the performance outcomes, skills and knowledge required to evaluate delivery.

It applies to those who deliver adult language, literacy and numeracy skills provision, including:

- stand-alone courses, such as are required for the Language Literacy and Numeracy Program (LLNP)
- workplace courses, such as the Workplace English Language and Literacy (WELL) program
- those delivering in vocational and community-based settings.

No licensing, legislative or certification requirements apply to this unit at the time of publication.
