Release 1

TAESS00031 Design and Deliver E-Learning Skill Set

Modification History

Release	Comments
Release 1	This skill set was first released with TAE Training and Education Training Package Version 5.0. Supersedes TAESS00018 Deliver E-Learning Skill Set. Superseded units have been updated.

Description

This skill set addresses the skills and knowledge required for those who design and deliver e-learning in online and remote learning environments.

Pathways Information

These units provide credit towards TAE50122 Diploma of Vocational Education and Training and other qualifications that allow for selection of these units.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this skill set at the time of publication.

Skill Set Requirements

- TAEDEL511 Facilitate e-learning
- TAEDES513 Design and develop e-learning resources

Target Group

This skill set is for experienced trainers and assessors whose role requires them to design e-learning content prior to delivering nationally recognised training.

Suggested words for Statement of Attainment

These units of competency from the TAE Training and Education Training Package provide the skills and knowledge required to deliver e-learning in online and remote learning environments.
