

**Australian Government**

# **TLI10115 Certificate I in Transport and Logistics (Pathways)**

**Release 1**

# **TLI0115 Certificate I in Transport and Logistics (Pathways)**

## **Modification History**

Release 1. This is the first release of this qualification in the TLI Transport and Logistics Training Package.

## **Qualification Description**

This qualification is a cross-sector certificate using units in the TLI Transport and Logistics Training Package, which provides a pathway for those who have had limited access to formal vocational and education training such as young unemployed people, early school leavers and students at risk, older unemployed people, Indigenous groups, geographically disadvantaged, and people with learning difficulties.

It is also designed to assist Year 9 and 10 students as a framework for a structured workplace learning program, and to develop employability and technical skills required by those commencing a career in the Transport and Logistics Industry.

The breadth, depth and complexity of knowledge and skills in this qualification would prepare a person to perform a defined range of activities, most of which may be routine and predictable.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

## **Entry Requirements**

There are no entry requirements for this qualification.

## Packaging Rules

A total of **7 units of competency** comprising:

**3 core units** listed below plus

**1 technical elective unit** from the technical elective units listed below **plus**

**3 general elective units** may be selected from this Training Package or from any relevant nationally endorsed Training Package or accredited course.

The general elective units must contribute to the vocational outcomes of the qualification.

Where imported units are selected, care must be taken to ensure that all prerequisite units specified are complied with.

### Core units

|           |  |
|-----------|--|
| TLIPC1001 | Demonstrate care and apply safe practices at work                  |
