

**Australian Government**

# **TLI20119 Certificate II in Logistics**

**Release 1**

# TLI20119 Certificate II in Logistics

## Modification History

Release 1. This is the first release of this qualification in the TLI Transport and Logistics Training Package.

## Qualification Description

This is a qualification for a person engaged in logistics operations support within the transport and logistics industry who undertakes a range of tasks involving known routines and procedures, and who takes some responsibility for the quality of their work outcomes.

Successful achievement of the licensing units within the qualification must align with applicable licensing and regulatory requirements.

### Job roles

Job roles and titles vary across different sectors. Possible job titles relevant to this qualification include:

- logistics support officer
- logistics clerk.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

## Entry Requirements

There are no entry requirements for this qualification.

## Packaging Rules

A total of **11 units of competency** comprising:

**4 core units** listed below, **plus**

**3 technical elective units** from Group A units listed below, **plus**

**4 general elective units** from Group B or remaining technical elective units listed below.

Up to **3 of the general elective units** may be selected from any relevant nationally endorsed Training Package or accredited course. The general elective units must contribute to the vocational outcomes of the qualification.

Where imported units are selected, care must be taken to ensure that all prerequisite units specified are complied with.
