Release 1. This is the first release of this qualification in the TLI Transport and Logistics Training Package.

Qualification Description

This is a qualification for those engaged in driving operation job roles within the Transport and Logistics Industry.

It involves a defined range of skilled operations, usually within a range of broader related activities involving known routines, methods and procedures, with some discretion and judgement in selecting equipment, services or contingency measures and within known time constraints.

Job roles

Job roles and titles vary across different sectors. Possible job titles relevant to this qualification include:

- Agitator Driver
- Bus Driver

- Line Haul Driver
- Local Heavy General Freight Driver
- Pilot Vehicle Driver
- Tip Truck Driver.

Successful achievement of the licensing units within the qualification must align with licensing and regulatory requirements applicable to driving and state/territory regulatory requirements.

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules

A total of **18 units of competency** comprising:

6 core units listed below **plus**

1 licensing/industry elective unit relevant to the vehicle type applicable to the job role from the licensing/industry elective units listed below **plus**

All units within one of the **specialist elective groups** (job roles) from Group A, Group B, Group C, Group D, Group E, Group F, Group G, Group H, Group I, Group K, Group L, or Group M listed below **plus**

4 general elective units from the general elective units listed below if selecting Group B, Group K (depending on job role), Group M **or**

5 general elective units from the general elective units listed below if selecting Group K (depending on job role), Group L, **or**

6 general elective units from the general elective units listed below if selecting Group A, Group C, Group D, Group E, Group F, Group G, Group H or Group I.

Up to **3 of the general elective units** may be selected from any relevant nationally endorsed Training Package or accredited course. The units must contribute to the vocational outcomes of the qualification.

Elective units can only be counted once towards the qualification packaging rules i.e. if a unit is listed in both a specialist elective group and the general elective group, it can only be counted as one of the elected units required.

Where imported units are selected, care must be taken to ensure that all prerequisite units specified are complied with.

The following imported units have a prerequisite unit:

- CPCCCO3054A Operate concrete agitator trucks
- UEGNSG614A Load, unload, exchange and connect LPG cylinders.

Core units

TLID1001 Shift materials safely using manual handling methods

TLIE1005	Carry out basic workplace calculations
TLIF1001	Follow work health and safety procedures
TLIF2010	Apply fatigue management strategies
