TLI31418 Certificate III in Rail Driving

Release 1
TLI31418 Certificate III in Rail Driving

Modification History

Release 1. This is the first release of this qualification in the TLI Transport and Logistics Training Package.

Qualification Description

This is a general qualification for a person who drives a light rail train or tram, or operates a monorail within a metropolitan or suburban transport environment.

It involves a broad range of skilled applications applied in a wide variety of contexts, which may involve application of some discretion and judgement in selecting equipment, services or contingency measures. It may also include responsibility for coordinating the work of others.

Job roles

Job roles and titles vary across different sectors. Possible job titles relevant to this qualification include:

- Tram Driver
- Light Rail Driver
- Monorail Operator.

No licensing legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules

A total of 16 units of competency comprising:

8 core units listed below plus

All units within one of the specialist elective unit groups (job roles) from Group A or Group B listed below plus
