

**Australian Government**

# **TLI40419 Certificate IV in Stevedoring Operations**

**Release 1**

# TLI40419 Certificate IV in Stevedoring Operations

## Modification History

Release 1. This is the first release of this qualification in the TLI Transport and Logistics Training Package.

## Qualification Description

This qualification is for a person engaged in operational roles within a stevedoring environment. It involves a broad range of skilled applications, including evaluating and analysing current practices, developing new criteria and procedures for performing current practices, and providing some leadership and guidance to others.

Successful achievement of the licensing units within the qualification must align with applicable licensing and regulatory requirements.

### Job roles

Possible job roles relevant to this qualification include:

- stevedore team leader
- stevedore supervisor
- stevedore shift manager.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

## Entry Requirements

There are no entry requirements for this qualification.

## Packaging Rules

A total of **15 units of competency** comprising:

**9 core units** listed below, plus

**6 general elective units** from the general elective units listed below.

**Up to 3 of the 6 general elective units** may be imported from any relevant endorsed Training Package. The general elective units must contribute to the vocational outcomes of the qualification.

Where units are imported all prerequisites must be complied with.

The following imported units have a prerequisite:

- CPCCLRG3001A Licence to perform rigging basic level

- CPCCLRG3002A Licence to perform rigging intermediate level
- CPCCLRG4001A Licence to perform rigging advanced level

**Core units**
