

# TLIA0006 Coordinate goods to bond premises

Release: 1

# **TLIA0006 Coordinate goods to bond premises**

## **Modification History**

**Release 1.** This is the first release of this unit of competency in the TLI Transport and Logistics Training Package.

# **Application**

This unit involves the skills and knowledge required to coordinate goods to bond premises in accordance with licensed warehouse/facilities, regulatory and workplace requirements, as part of work activities in the transport and logistics industry.

It includes identifying and listing goods for bonding, arranging the transfer of goods under bond to a licensed facility, and preparing and issuing bond lists.

Work is performed under some supervision generally within a team environment.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

# **Pre-requisite Unit**
