TLIA2044 Carry out delivery operations

Release: 1

TLIA2044 Carry out delivery operations

Modification History

Release 1. This is the first release of this unit of competency in the TLI Transport and Logistics Training Package.

Application

This unit involves the skills and knowledge required to deliver mail and/or consignments to residential and business customers, in accordance with regulations and workplace requirements within the transport and logistics industry.

It includes carrying out required preparations, delivering mail and/or consignment to special routes in accordance with workplace procedures, and reporting on delivery activity.

Work is performed under some supervision generally within a team environment.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Pre-requisite Unit

Not applicable.

Competency Field

A – Handling Cargo Stock

Unit Sector

Not applicable.
