TLIB1030 Undertake general site maintenance

Release: 1

TLIB1030 Undertake general site maintenance

Modification History

Release 1. This is the first release of this unit of competency in the TLI Transport and Logistics Training Package.

Application

This unit involves the skills and knowledge required to undertake general site housekeeping and maintenance in depots, sub-depots, factories, compounds and campsites according to safeworking and regulatory requirements and workplace procedures.

It includes preparing for work, conducting site housekeeping functions, applying pest and vegetation control measures, and completing all work requirements.

Work is performed under minimal supervision, generally within a team environment.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Pre-requisite Unit

Not applicable.

Competency Field

B – Equipment Checking and Maintenance

Unit Sector

Not applicable.
