# **Assessment Requirements for TLII0001 Market international freight forwarding services**

**Release: 2**

# Assessment Requirements for TLI0001 Market international freight forwarding services

## Modification History

**Release 2.** This is the second release of this unit of competency in the TLI Transport and Logistics Training Package.

- Minor statement changes in Performance Criteria
- Minor statement changes in Performance Evidence
- Minor statement changes in Knowledge Evidence
- Minor statement changes in Assessment Conditions.

**Release 1.** This is the first release of this unit of competency in the TLI Transport and Logistics Training Package.

## Performance Evidence

Evidence required to demonstrate competence in this unit must be relevant to and satisfy all of the requirements of the elements and performance criteria on at least one occasion and include:

- communicating effectively and working collaboratively with others when marketing services to customers
- completing relevant documentation
- identifying and recording potential improvements to services
- negotiating effectively with customers and others
- promptly reporting and/or rectifying identified problems
- responding appropriately to cultural differences in the workplace.

## Knowledge Evidence

Evidence required to demonstrate competence in this unit must be relevant to and satisfy all of the requirements of the elements and performance criteria and include knowledge of:

- functions of relevant workplace departments and personnel
- marketing systems, operations and resources
- relevant regulatory requirements
- strategies to implement continuous improvement processes
- types of problems that can occur and appropriate actions that can be taken
- workplace protocols and procedures for marketing services to customers.

## Assessment Conditions

Assessors must hold credentials specified within the Standards for Registered Training

Organisations current at the time of assessment.

Assessment must satisfy the Principles of Assessment and Rules of Evidence and all regulatory requirements included within the Standards for Registered Training Organisations current at the time of assessment.

Assessment must occur in workplace operational situations where it is appropriate to do so; where this is not appropriate, assessment must occur in simulated workplace operational situations that replicate workplace conditions.

Assessment processes and techniques must be appropriate to the language, literacy and numeracy requirements of the work being performed and the needs of the candidate.

Resources for assessment must include access to:

- a range of relevant exercises, case studies and/or simulations
- applicable documentation including workplace procedures, regulations, codes of practice and operation manuals.
