TLII3022 Provide customer service in rail operations

Release: 2

TLII3022 Provide customer service in rail operations

Modification History

Release 2. This is the second release of this unit of competency in the TLI Transport and Logistics Training Package:

- Minor grammatical changes in Performance Criteria 1.2
- Minor change in Performance Evidence
- Minor statement changes in Assessment Conditions.

Release 1. This is the first release of this unit of competency in the TLI Transport and Logistics Training Package.

Application

This unit involves the skills and knowledge required to provide customer service in rail operations in accordance with legislative, regulatory and workplace requirements.

It includes establishing contact with customers, identifying customer needs and delivering service to customers at train station platforms and/or on a train.

Work is generally performed without supervision and in a team environment. It involves the provision of service to customers requiring assistance either on or off a train.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Pre-requisite Unit

Not applicable.

Competency Field

I – Customer Service

Unit Sector

Rail sector.
