TLIL5065 Roster train crews

Release: 1

TLIL5065 Roster train crews

Modification History

Release 1. This is the first release of this unit of competency in the TLI Transport and Logistics Training Package.

Application

This unit involves the skills and knowledge required to roster train crews for duty in accordance with legislative, regulatory and organisational requirements.

It includes knowledge of rostering techniques, communicating rosters to train crew, and the administrative systems that are used in the rostering function.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Pre-requisite Unit

Not applicable.

Competency Field

L – Resource Management

Unit Sector

Not applicable.
