TLIO3007 Undertake emergency response action to a security threat

Release: 1

TLIO3007 Undertake emergency response action to a security threat

Modification History

Release 1. This is the first release of this unit of competency in the TLI Transport and Logistics Training Package.

Application

This unit involves the skills and knowledge required to undertake emergency response action to a security threat. Work must be carried out in accordance with sections of relevant state/territory authority regulations for secure delivery of valuables, secured products, documents and materials, within the transport and logistics industry.

It includes selecting emergency actions to be applied, maintaining communications and reporting the incident, in accordance with established procedures.

Work is performed under general or limited supervision.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Pre-requisite Unit

Not applicable.

Competency Field

O – Security

Unit Sector

Not applicable.
