# **TLIO3015 Maintain security of railway property and revenue**

**Release: 1**

# TLIO3015 Maintain security of railway property and revenue

## Modification History

Release 1. This is the first release of this unit of competency in the TLI Transport and Logistics Training Package.

## Application

This unit involves the skills and knowledge required to maintain the security of railway property and revenue, in accordance with regulatory and workplace requirements.

It includes monitoring and maintaining security of railway property, securing cash revenue, and securing railway property.

Work is performed under some supervision, generally within a team environment.

Work involves the application of regulatory requirements and workplace procedures when maintaining the security of railway property and revenue, as part of workplace activities in the transport and allied industries.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

## Pre-requisite Unit

Not applicable.

## Competency Field

O – Security

## Unit Sector

Not applicable.

## Elements and Performance Criteria

Elements describe the essential outcomes.	Performance criteria describe the performance needed to demonstrate achievement of the element.
