

# TLIO5018 Manage compliance with customs excise

Release: 1

## TLIO5018 Manage compliance with customs excise

### **Modification History**

Release 1. This is the first release of this unit of competency in the TLI Transport and Logistics Training Package.

## **Application**

This unit involves the skills and knowledge required to manage compliance with customs excise as part of work undertaken in various contexts within the transport and logistics industry.

It includes determining the rate of excise under the Customs Tariff Act 1995, determining any conditions and exceptions that apply to goods, interpreting concessional rates of duty, calculating duty amounts and following documentation requirements.

The unit generally applies to those who lead individuals or teams.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

## **Pre-requisite Unit**
