TLISS00218 Fuel Tanker Driver Skill Set

Release 1

TLISS00218 Fuel Tanker Driver Skill Set

Modification History

Release 1. This is the first release of this Skill Set in the TLI Transport and Logistics Training Package.

This Skill Set replaces but is not equivalent to TLISS00159 Fuel Tanker Driver Skill Set.

Description

This Skill Set is for individuals who work as fuel tanker drivers in the road transport industry.

Pathways Information

The TLISS00218 Fuel Tanker Driver Skill Set contributes to the TLI40121 Certificate IV in Specialist Driving Operations within the TLI Transport and Logistics Training Package.

Licensing/Regulatory Information

This Skill Set involves the skills and knowledge required to operate a fuel tanker in accordance with the current Australian Dangerous Goods (ADG) Code, mass and loading regulations, and relevant state/territory road and traffic authority vehicle licensing requirements and regulations for heavy vehicles.

Skill Set Requirements

A total of **4 units** of competency must be attained.

TLIC0022	Operate chemical and fuel tanker
TLIE4025	Prepare and process transport documentation for dangerous goods
TLIF3096	Carry out emergency response to a dangerous goods incident
TLILIC0001	Licence to transport dangerous goods by road

Target Group

People interested in the role of fuel tanker driver in the road transport industry.

Suggested words for Statement of Attainment

This TLISS00218 Fuel Tanker Driver Skill Set from the TLI Transport and Logistics Training Package meets some of the industry safety compliance requirements for individuals seeking to operate as a fuel tanker driver in the road transport industry.

The relevant state/territory road transport regulator will provide information about other industry safety compliance requirements.
