# **TLISS00232 Pilot Rail Traffic Skill Set**

**Release 1**

# TLISS00232 Pilot Rail Traffic Skill Set

## Modification History

**Release 1.** This is the first release of this Skill Set in the TLI Transport and Logistics Training Package.

## Description

This Skill Set is for individuals who pilot rail traffic on the rail network within a rail operations environment.

For this Skill Set, a pilot is defined as a route current qualified worker, who accompanies, directs and advises rail traffic crew about track works, speed restrictions, signal locations, wayside equipment, station locations and other aspects that may affect operation of rail traffic based on known performance of rolling stock.

## Pathways Information

The TLISS00232 Pilot Rail Traffic Skill Set is part of the TLI Transport and Logistics Training Package and may contribute to Certificate II in Rail Track Vehicle Driving, Certificate III in Rail Infrastructure, Certificate III in Terminal Train Driver or Certificate IV in Train Driving qualifications.

## Licensing/Regulatory Information

People achieving competence in this unit will need to fulfil the applicable state/territory legislated rail safety requirements and to comply with relevant codes of practice and/or guidelines.

## Skill Set Requirements

A total of **6 units** of competency must be attained.

TLIC0024 Operate rail traffic with due consideration of route conditions

TLIC0030 Pilot rail traffic with due consideration of route conditions

TLIF0008 Apply safety critical communications in the rail environment

TLIF0020 Safely access the rail corridor

TLIF0028 Respond to abnormal situations and emergencies when operating rail traffic

TLIG0003 Work effectively with others in a team

## **Target Group**

People who undertake this Skill Set may use it as a pathway to Certificate II in Rail Track Vehicle Driving, Certificate III in Rail Infrastructure, Certificate III in Terminal Train Driver or Certificate IV in Train Driving qualifications and who work in a rail operations environment.

## **Suggested words for Statement of Attainment**

The TLISS00232 Pilot Rail Traffic Skill Set from the TLI Transport and Logistics Training Package meets the industry requirements for individuals piloting rail traffic on the rail network within a rail operations environment.

## **Custom Content Section**

The Skill Set content will need to be customised for the rail operations sector.
