TLIX0045 Determine import/export prohibitions/restrictions

Release: 1

TLIX0045 Determine import/export prohibitions/restrictions

Modification History

Release 1. This is the first release of this unit of competency in the TLI Transport and Logistics Training Package.

Application

This unit involves the skills and knowledge required to apply permit requirements as part of customs broking activities in accordance with the current Australian Customs Act as amended and other relevant legislation.

It includes identifying goods subject to import/export restrictions and/or prohibitions, identifying required permits, assessing permits for compliance, and facilitating the gaining of such permits.

This unit applies to individuals working as a customs broker.

Work is undertaken in a range of environments, including small to large worksites, in the customs broking and international supply chain industries.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Pre-requisite Unit

Not applicable.

Competency Field

X – Logistics

Unit Sector

Customs Broking.

Elements and Performance Criteria

ELEMENTS

Elements describe the essential outcomes.

PERFORMANCE CRITERIA

Performance criteria describe the performance needed to demonstrate achievement of the element.
