TLISS00002 Accessing the Rail Corridor Skill Set

Release 3

TLISS00002 Accessing the Rail Corridor Skill Set

Modification History

Release 3

This is the third release of this skill set in TLI10 Transport and Logistics Training Package Version 3.0.

Unit revised. Equivalent to previous version of the skill set.

Description

This skill set targets anyone required to access the rail corridor; it is not aligned to any specific qualification and can be achieved separately.

Pathways Information

Licensing/Regulatory Information

Readers should ensure that they have also read the part of the Training Package that outlines licensing and regulatory requirements.

Skill Set Requirements

A total of **1 unit** of competency must be completed.

Unit/s	
TLIF2080C	Safely access the rail corridor

Target Group

This is a skill set providing a basic induction to the rail corridor. It is intended for anyone who is required to access the rail corridor and/or rail danger zone as part of their job role.

Suggested words for Statement of Attainment

This competency from the TLI10 Transport and Logistics Training Package (Version 3) meets the needs of persons working within the rail environment. The competency is drawn from a nationally endorsed Training Package, and provides the skills and knowledge for a person accessing the rail infrastructure corridor.
