TLISS00056 Travel Track Vehicle Under Block Working Conditions Skill Set

Release: 2

TLISS00056 Travel Track Vehicle Under Block Working Conditions Skill Set

Modification History

Not Applicable

Description

Not Applicable

Pathways Information

This skill set targets anyone who is required to access rail track to travel a track vehicle under block working conditions as part of their job role. It is not aligned to any specific qualification and whilst it can be achieved separately it is intended for use by track vehicle operators.

Licensing/Regulatory Information

Readers should ensure that they have also read the part of the Training Package that outlines licensing and regulatory requirements.

Skill Set Requirements

A total of **2 units** of competency must be completed.

Unit/s	
TLIF2080B	Safely access the rail corridor
TLIC3056A	Access rail track to travel track vehicle/s under block working conditions

Target Group

This is a skill set used in the role of track vehicle operator working specifically under block working conditions within the general rail infrastructure environment.

Suggested words for Statement of Attainment

These competencies from the TLI10 Transport and Logistics Training Package (Version 2) meet the needs of track vehicle operation duties. The competencies are drawn from a nationally endorsed Training Package, and provide the skills and knowledge for a person working as a track vehicle operator within the general rail infrastructure environment.
