Target group
This is a skill set covering a role which includes maintaining turnouts (points, switches and/or crossings) within the general rail infrastructure environment.

Suggested words for Statement of Attainment

Suggested words for Statement of Attainment
These competencies from the TLI10 Transport and Logistics Training Package meet the needs for maintaining turnouts. The competencies are drawn from a nationally endorsed Training Package, and provide the skills and knowledge for a person working within the general rail infrastructure environment who is required to maintain turnouts.
