TLISS00069 Tram or Light Rail Track Sweeping Skill Set

Release 1

TLISS00069 Tram or Light Rail Track Sweeping Skill Set

Modification History

Release 1 - This is the first release of this skill set in TLI10 Transport and Logistics Training Package Version 3.0.

Description

This skill set is designed for anyone who is required to operate specialised equipment to carry out track cleaning operations on tram or light rail tracks.

Pathways Information

This skill set is to be undertaken in addition to the TLI32913 Certificate III in Tram or Light Rail Infrastructure and targets workers who will also operate tram or light rail track cleaning equipment.

Licensing/Regulatory Information

Readers should ensure that they have also read the part of the Training Package that outlines licensing and regulatory requirements.

Skill Set Requirements

A total of 1 unit of competency must be attained.
Unit/s
TLIC0073A Conduct tram/light rail track cleaning operations

Target Group

This is a skill set covering a role that is required to operate tram or light rail track cleaning equipment on tram or light rail tracks including straight track, and points and crossings.

Suggested words for Statement of Attainment

This competency from the TLI10 Transport and Logistics Training Package Version 3.0 meets the needs of the tram or light rail infrastructure industry. The competency is drawn from a nationally endorsed Training Package and provides the skills and knowledge for a person within the tram or light rail infrastructure environment required to operate tram or light rail track cleaning equipment on tram or light rail tracks.
