TLISS00070 Mentoring Skill Set

Release 2

TLISS00070 Mentoring Skill Set

Modification History

Release 2. This is the second release of This Skill set in TLI10 Transport and Logistics Training Package Version 4.0.

In Release 2 the Description wording has been edited to be inclusive of all experienced workers across all sectors of the Transport and Logistics industry. This release is equivalent to the previous release of the Skill Set.

Description

This Skill Set targets experienced workers who mentor individuals or small groups (2 to 5 people) across all sectors of the Transport and Logistics industry.

Pathways Information

This Skill Set is not aligned to any specific qualification and can be achieved separately.

Licensing/Regulatory Information

Readers should ensure they have also read the part of the Training Package that outlines licensing and regulatory requirements.

Skill Set Requirements

A total of 1 unit of competency must be attained.	
Unit	
TLIM4004A	Mentor individuals or small groups

Unit

TLIM4004A	Mentor individuals or small groups
-----------	------------------------------------

Target Group

This is a skill set for experienced workers who take on the role of mentoring individuals or small groups (two to five people) in an on-the-job environment. It is intended for use by workers across a range of sectors in the Transport and Logistics industry.

Suggested words for Statement of Attainment

The competency from the TLI10 Transport and Logistics Training Package Version 4.0 meets the needs of Mentors of individuals or small groups. The competency is drawn from a nationally endorsed Training Package, and provides the skills and knowledge for a person to prepare for, undertake and review mentoring to develop the required workplace competence in other workers on a one-to-one or small group basis in an on-the-job environment.
