TLISS00084 Stevedoring Operation Induction and Safety Skill Set

Release 1

TLISS00084 Stevedoring Operation Induction and Safety Skill Set

Modification History

Release 1. This is the first release of this Skill Set in TLI10 Transport and Logistics Training Package Version 4.0.

This Skill Set replaces but is not equivalent to TLISS00048 Stevedoring Operation Induction and Safety Skill Set because:

- total number of units required has increased by 1 unit, from 4 to 5 units
- 1 unit has been removed
- 2 units have been added.
-

Description

Not applicable.

Pathways Information

This Skill Set contributes to the TLI21413 Certificate II in Stevedoring in the TLI10 Transport and Logistics Training Package Version 4.0.

Licensing/Regulatory Information

Readers should ensure they have also read the part of the Training Package that outlines licensing and regulatory requirements.

Skill Set Requirements

A total of **6 units** of competency must be attained.

Units
