**UEESS00187 Electrical - Install and
commission whole current electricity meters
Skill Set**

Release 2

UEESS00187 Electrical - Install and commission whole current electricity meters Skill Set

Modification History

Release 2. Updated superseded imported unit.

Release 1. This is the first release of this Skill Set in the UEE Electrotechnology Training Package.

This Skill Set replaces and is not equivalent to UEESS00179 Electrical - Install and Set Up Interval Metering Skill Set.

The title has been changed.

The entry requirement has been amended.

UETDRRF004 Perform rescue from a live LV panel has been added.

This Skill Set replaces and is not equivalent to UEESS00179 Electrical - Install and Set Up Interval Metering Skill Set.

Description

This Skill Set covers the skills and knowledge required to install and set up electrical interval metering.

Pathways Information

The units of competency in this Skill Set will contribute to the completion of relevant Certificate III, Certificate IV, Diploma and Advanced Diploma qualifications from the UEE Electrotechnology Training Package.

Entry Requirements

It is essential that persons undertaking this Skill Set already hold the following:

- a current 'Unrestricted Electrical Licence' issued in an Australian state or territory.

OR

- UEEEL0039 Design, install and verify compliance and functionality of general electrical installations

OR

- be completed concurrently with UEEEL0039 as part of an Electrical Trade course (final assessment of UEEEL0039 must be successfully completed before this skill set can be issued).

Licensing/Regulatory Information

Not applicable.

Skill Set Requirements

A total of **2 units** of competency must be attained.

There are units of competency within this Skill Set that contain pre-requisites. Units of competency that have a pre-requisite requirement are identified by this symbol *. Refer directly to the units of competency to identify pre-requisite requirements to ensure all are complied with. A list of all pre-requisites is also provided in the UEE Pre-requisite Companion Volume.

UEEEL0078 Install and commission whole current electricity meters*

UETDRMP007 Perform rescue from a live low voltage panel*

Target Group

This Skill Set is intended for persons who are required to install and commission whole current electricity meters.

Suggested words for Statement of Attainment

This Skill Set from the UEE Electrotechnology Training Package meets the industry requirements for installing and setting up interval metering.
