UEESS00092 Restricted - Attachment of cords/cables and plugs to low voltage three phase electrical equipment

Release: 1

UEESS00092 Restricted - Attachment of cords/cables and plugs to low voltage three phase electrical equipment

Modification History

Not applicable.

Description

This skill set is designed for people wishing to attach flexible cords/cables and plugs for voltages operating up to 1000 V a.c. These competencies are in addition to competencies already gained in the relevant field to which the electrical work is incidental or a primary and regular function of the work. Learners will be developing skills in working safely on electrical cords and plugs, select and use testing and measuring devices; terminate and connect cords and plugs to Australian Standards; safety test and report on electrical cords and plugs.

Pathways Information

The units of competency in this skill set will contribute to the completion of relevant CII, CIII and CIV qualifications from the UEE11 Electrotechnology Training Package. Please consult the packaging rules of the relevant qualification for further advice.

Licensing/Regulatory Information

Restricted Electrical Licence or Disconnected/Reconnected Electrical Licence – please refer to your local licensing body for details concerning the jurisdictional conditions and requirements for the issue of a license.

Skill Set Requirements

UEENEEE101A – Apply Occupational Health and Safety regulations, codes and practices in the workplace

UEENEEP024A – Attach cords and plugs to electrical equipment for connection to a single phase 230 Volt supply

UEENEEP025A – Attach cords, cables and plugs to electrical equipment for connection to 1000 Va.c. or 1500 Vd.c. supply

Target Group

The units of competency in this skill set are for people holding a relevant electrotechnology qualification at a CII or higher and the work is incidental or a primary and regular function of work related to a principle work function.

Suggested words for Statement of Attainment

This Skill Set from the UEE11 Electrotechnology Training Package meets the industry requirements for Restricted Electrical Licence - Attachment of cords/cables and plugs to low voltage three phase electrical equipment
