UEGNSG033 Carry out basic work activities in a gas industry work environment

Release: 1

UEGNSG033 Carry out basic work activities in a gas industry work environment

Modification History

Release 1. This is the first release of this unit of competency in the UEG Gas Industry Training Package.

Application

This unit involves the skills and knowledge required to carry out work activities in a gas industry environment.

It includes following workplace procedures to correctly and safely carry out gas industry work activities using appropriate materials, tools and measuring devices.

The application of the skills and knowledge described in this unit may require a license or permit to practice in the workplace.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Pre-requisite Unit

Not applicable.

Competency Field

Gas Cross Discipline

Unit Sector

Gas Industry

Elements and Performance Criteria
