# **UETDRRF007 Provide first aid in an ESI environment**

**Release: 1**

## UETDRRF007 Provide first aid in an ESI environment

### Modification History

Release 1. This is the first release of this unit of competency in the UET Transmission, Distribution and Rail Sector Training Package Release 2.0.

### Application

This unit covers the provision of first aid in an electricity supply industry (ESI) environment. It includes the recognition and provision of an initial response where first aid is required in emergency situations by providing essential first aid using basic life support measures according to established workplace first aid policies and procedures.

The application of the skills and knowledge described in this unit may require a licence/registration to practice in the workplace subject to regulations for undertaking of electrical work.

Other conditions may apply under state and territory legislative and regulatory licensing requirements which must be confirmed prior to commencing this unit.

### Pre-requisite Unit

HLTAID009 Provide cardiopulmonary resuscitation

### Competency Field

Refresher Training

### Unit Sector

Not applicable.

### Elements and Performance Criteria

#### ELEMENTS

Elements describe the essential outcomes.

#### **1 Prepare to provide first aid in an ESI environment**
