

COMPANION VOLUME IMPLEMENTATION GUIDE

TLI Transport and Logistics
Training Package

Release 16.0

Attachment D: Summary Of Qualification Licensing/Regulatory
Information

The following Companion Volume Implementation Guides (CVIG) Attachments are kept in separate files for ease of access. Attachment breakdown below.

ATTACHMENT A-C:

- Qualification Mapping
- Skill Sets Mapping
- Units of Competency Mapping

ATTACHMENT D:

- Summary of Qualification Licensing/Regulatory information

ATTACHMENT E:

- Training Package pathways advice

ATTACHMENT F:

- TLI Implementation Advice – TLIA - TLIB
- TLI Implementation Advice – TLIC – TLID
- TLI Implementation Advice – TLIE– TLIK
- TLI Implementation Advice – TLIL – TLIP
- TLI Implementation Advice – TLIR – TLIX

ATTACHMENT G-H:

- CVIG – Quality Assurance Process
- CVIG - Template

 Heavy Vehicle Licensing 4

 Heavy Vehicle Regulators 5

ABOUT INDUSTRY SKILLS AUSTRALIA

Industry Skills Australia (ISA) has been appointed as the Jobs and Skills Council for the nation's Transport and Logistics, Rail, Aviation and Maritime industries and the emerging sectors of Omnichannel Logistics and Distribution, and Air and Space Transport and Logistics.

Jobs and Skills Councils have **four (4) broad roles**:

1. **Industry Stewardship** which involves gathering industry intelligence to reliably represent the views and needs of industry back to the VET system and its decision-makers
2. **Workforce Planning** which enables industry to identify its workforce development issues and design high-impact solutions, which are then captured in the Committee's national Workforce Plan for the industry
3. **Training Product Development** which focusses on improving the quality, speed to market and responsiveness of training products to employer and workforce needs
4. **Implementation, promotion and monitoring** which involves supporting training providers, promoting careers and monitoring how well the system is meeting the needs of industry and learners.

Jobs and Skills Councils replace and subsume the work of previous Industry Reference Committees, Skills Service Organisations and Skills Organisations.

ISA was established in early 2023, 28 years after its predecessor the Transport and Logistics Industry Skills Council (TLISC) was established in 1996 and Australian Industry Standards (AIS) in 2016. More information about ISA can be found at www.industryskillsaustralia.org.au.

ATTACHMENT D: SUMMARY OF QUALIFICATION LICENSING/REGULATORY INFORMATION

Licensing and registration requirements that apply to specific industries and vocational education and training (VET) vary between each state and territory and can regularly change.

Contact details for the main relevant state or territory authorities that can assist in providing the most up-to-date information are listed below.

The regulatory authorities for the Dangerous Goods and High Risk Licensing, Customs Broking, Taxi, Heavy Vehicle Licensing and Chain of Responsibility at the time of publication of this Training Package are listed below.
